

40 C.F.R. § 1068.220

Exempting display engines/equipment.

- (a) Anyone may request an exemption for display engines/equipment.
- (b) Nonconforming display engines/equipment will be exempted if they are used for displays in the interest of a business or the general public. The exemption in this section does not apply to engines/equipment displayed for any purpose we determine is inappropriate for a display exemption.
