

40 C.F.R. § 1068.405

What is in a test order?

(a) In the test order, we will specify the following things:

- (1) The family we have identified for testing. We may also specify individual configurations.
- (2) The engine/equipment assembly plant, storage facility, or (if you import the engines/equipment) port facility from which you must select engines/equipment.
- (3) The procedure for selecting engines/equipment for testing, including a selection rate.
