

40 C.F.R. § 1068.425

What happens if one of my production-line engines/equipment exceeds the emission standards?

- (a) If one of your production-line engines/equipment fails to meet one or more emission standards (see § 1068.420), the certificate of conformity is automatically suspended for that engine or piece of equipment. You must take the following actions before your certificate of conformity can cover that engine or piece of equipment:
