

40 C.F.R. § 124.18

Administrative record for final permit when EPA is the permitting authority.

- (a) The Regional Administrator shall base final permit decisions under § 124.15 on the administrative record defined in this section.
- (b) The administrative record for any final permit shall consist of the administrative record for the draft permit and:
 - (1) All comments received during the public comment period provided under § 124.10 (including any extension or reopening under § 124.14);
