
40 C.F.R. § 124.208

What are the opportunities for public comments and hearings on draft permit decisions?

- (a) The public notice that you issue under § 124.207 must allow at least 45 days for people to submit written comments on your draft permit decision. This time is referred to as the public comment period. You must automatically extend the public comment period to the close of any public hearing under this section. The hearing officer may also extend the comment period by so stating at the hearing.
- (b) During the public comment period, any interested person may submit written comments on the draft permit and may request a public hearing. If someone wants to request a public hearing, they must submit their request in writing to you. Their request must state the nature of the issues they propose to raise during the hearing.
