

## 40 C.F.R. § 1400.4

---

### Vulnerable zone indicator system.

---

(a) *In general.* The Administrator shall provide access to a computer-based indicator that shall inform any person located in any state whether an address specified by that person might be within the vulnerable zone of one or more stationary sources, according to the data reported in RMPs. The indicator also shall provide information about how to obtain further information.
