### Corrective action for wells in the area of review.

---

For the purposes of Class I hazardous waste wells, this section shall apply to the exclusion of §§ 144.55 and 146.07.

- (a) The owner or operator of a Class I hazardous waste well shall as part of the permit application submit a plan to the Director outlining the protocol used to:
- (1) Identify all wells penetrating the confining zone or injection zone within the area of review; and
  - (2) Determine whether wells are adequately completed or plugged.
- (b) The owner or operator of a Class I hazardous waste well shall identify the location of all wells within the area of review that penetrate the injection zone or the confining zone and shall submit as required in § 146.70(a):
- (1) A tabulation of all wells within the area of review that penetrate the injection zone or the confining zone; and
