## 40 C.F.R. § 147.3200

---

### Fort Peck Indian Reservation: Assiniboine & Sioux Tribes—Class II wells.

---

The UIC program for Class II injection wells on all lands within the exterior boundaries of the Fort Peck Indian Reservation is the program administered by the Assiniboine and Sioux (Fort Peck) Tribes approved by EPA pursuant to section 1425 of the SDWA. Notice of this approval was published in the Federal Register on October 27, 2008; the effective date of this program is November 26, 2008. This program consists of the following elements as submitted to EPA in the Fort Peck Tribes' program application:
