

40 C.F.R. § 1501.6

Findings of no significant impact.

- (a) An agency shall prepare a finding of no significant impact if the agency determines, based on the environmental assessment, not to prepare an environmental impact statement because the proposed action will not have significant effects.
- (1) The agency shall make the finding of no significant impact available to the affected public as specified in § 1506.6(b) of this chapter.
