

## 40 C.F.R. § 1506.5

---

### Agency responsibility for environmental documents.

---

- (a) *Responsibility.* The agency is responsible for the accuracy, scope (§ 1501.9(e) of this chapter), and content of environmental documents prepared by the agency or by an applicant or contractor under the supervision of the agency.
- (b) *Information.* An agency may require an applicant to submit environmental information for possible use by the agency in preparing an environmental document. An agency also may direct an applicant or authorize a contractor to prepare an environmental document under the supervision of the agency.
