

## 40 C.F.R. § 152.164

---

### Classification procedures.

---

(a) *Grouping of products for classification purposes.* In its discretion, the Agency may identify a group of products having common characteristics or uses and may classify for restricted use same or all of the products or uses included in that group. Such a group may be comprised of, but is not limited to, products that:

- (1) Contain the same active ingredients.
- (2) Contain the same active ingredients in a particular concentration range, formulation type, or combination of concentration range and formulation type.
- (3) Have uses in common.
- (4) Have other characteristics, such as toxicity, flammability, or physical properties, in common.

(b) *Classification reviews.* The Agency may conduct classification reviews and classify products at any time, if it determines that a restriction on the use of a pesticide product is necessary to avoid unreasonable adverse effects on the environment. However, classification reviews normally will be conducted and products classified only in the following circumstances:
