

40 C.F.R. § 160.195

Retention of records.

- (a) Record retention requirements set forth in this section do not supersede the record retention requirements of any other regulations in this subchapter.
- (b) Except as provided in paragraph (c) of this section, documentation records, raw data, and specimens pertaining to a study and required to be retained by this part shall be retained in the archive(s) for whichever of the following periods is longest:
- (1) In the case of any study used to support an application for a research or marketing permit approved by EPA, the period during which the sponsor holds any research or marketing permit to which the study is pertinent.
 - (2) A period of at least 5 years following the date on which the results of the study are submitted to the EPA in support of an application for a research or marketing permit.
