

40 C.F.R. § 1601.1

Purpose and scope.

(a) *In general.* This part contains the Chemical Safety and Hazard Investigation Board (“CSB” or “agency”) regulations implementing the Freedom of Information Act (“FOIA”), 5 U.S.C. 552. These regulations provide the procedures by which members of the public may obtain access to records compiled, created, and maintained by the CSB, along with the CSB procedures for responding to such requests. The rules in this subpart are to be read in conjunction with the FOIA and the Uniform Freedom of Information Fee Schedule and Guidelines published by the White House Office of Management and Budget (OMB Guidelines).
