

40 C.F.R. § 1601.30

Protection of records.

(a) *In general.* (1) Except as authorized by this part or as otherwise necessary in performing official duties, CSB employees must not disclose or permit disclosure of any document or information in the possession of the CSB that is confidential or otherwise of a nonpublic nature, including that regarding the CSB, the Environmental Protection Agency or the Occupational Safety and Health Administration.
