
40 C.F.R. § 165.67

Registrants who distribute or sell pesticide products to refillers for repackaging.

- (a) *Must I comply with the standards in this section?* You must comply with the standards in this section if you are a registrant who distributes or sells pesticide products to a refiller that is not part of your company for repackaging into refillable containers.
- (b) *Under what conditions can I allow a refiller to repack my pesticide product into refillable containers?* You may allow a refiller to repack your pesticide product into refillable containers and to distribute or sell such repackaged product under your existing registration if all of the following conditions are satisfied:
- (1) The repackaging results in no change to the pesticide formulation.
 - (2) One of the following conditions regarding a registered refilling establishment is satisfied:
 - (i) The pesticide product is repackaged at a refilling establishment registered with EPA as required by § 167.20 of this chapter.
 - (ii) The pesticide product is repackaged by a refilling establishment registered with EPA as required by § 167.20 of this chapter at the site of a user who intends to use or apply the product.
 - (3) You have entered into a written contract with the refiller to repack the pesticide product and to use the label of your pesticide product.
