

40 C.F.R. § 170.503

Knowledge of labeling, application-specific, and establishment-specific information for handlers.

- (a) *Knowledge of labeling and application-specific information.* (1) The handler employer must ensure that before any handler performs any handler activity involving a pesticide product, the handler either has read the portions of the labeling applicable to the safe use of the pesticide or has been informed in a manner the handler can understand of all labeling requirements and use directions applicable to the safe use of the pesticide.
