

40 C.F.R. § 1700.41

Records.

(a) All records must be generated and maintained in the ship's logs (main, engineering, and/or damage control) or an UNDS Record Book and must include the following information:

- (1) Vessel owner information (*e.g.*, U.S. Navy, U.S. Coast Guard);
- (2) Vessel name and class; and
- (3) Name of the PIC.

(b) The PIC must maintain complete records of the following information:
