## Commercial applicator certification categories.

---

*Certification categories.* Categories of commercial applicators using or supervising the use of restricted use pesticides are identified below.

- (a) *Agricultural pest control*—(1) *Crop pest control.* This category applies to commercial applicators who use or supervise the use of restricted use pesticides in production of agricultural commodities, including but not limited to grains, vegetables, small fruits, tree fruits, peanuts, tree nuts, tobacco, cotton, feed and forage crops including grasslands, and non-crop agricultural lands.
- (2) *Livestock pest control.* This category applies to commercial applicators who use or supervise the use of restricted use pesticides on animals or to places on or in which animals are confined. Certification in this category alone is not sufficient to authorize the purchase, use, or supervision of use of products for predator control listed in paragraphs (k) and (l) of this section.
- (b) *Forest pest control.* This category applies to commercial applicators who use or supervise the use of restricted use pesticides in forests, forest nurseries and forest seed production.
