

## 40 C.F.R. § 180.1025

---

### Xylene; exemption from the requirement of a tolerance.

---

Xylene is exempted from the requirement of a tolerance when used as an aquatic herbicide applied to irrigation conveyance systems in accordance with the following conditions:

- (a) It is to be used only in programs of the Bureau of Reclamation, U.S. Department of Interior, and cooperating water user organizations.
