## 40 C.F.R. § 180.1067

---

### Methyl eugenol and malathion combination; exemption from the requirement of a tolerance.

---

The insect attractant methyl eugenol and the insecticide malathion are exempt from the requirement of tolerances on all raw agricultural commodities when used in combination in Oriental fruit fly eradication programs under the authority of the U.S. Department of Agriculture, in accordance with the following directions and specifications:
