

## 40 C.F.R. § 180.274

---

### Propanil; tolerances for residues.

---

- (a) *General.* Tolerances are established for the combined residues of the herbicide propanil (3', 4'-dichloropropionanilide) and its metabolites convertible to 3, 4-dichloroaniline (3, 4-DCA) in or on the following food commodities:
