

40 C.F.R. § 1800.101

General formula.

The RESTORE Act provides that thirty percent (30%) of the funds made available from the Trust Fund for the Oil Spill Impact Component be disbursed to each of the Gulf Coast States of Alabama, Florida, Louisiana, Mississippi and Texas based on a formula established by the Council (Spill Impact Formula), through a regulation, that is based on a weighted average of the following criteria:
