

40 C.F.R. § 204.58-2

Tampering.

- (a) For each configuration of air compressors covered by this part, the manufacturer shall develop a list of those acts which, in his judgment, might be done to the air compressor in use and which would constitute the removal or rendering inoperative of noise control devices or elements of design of the compressor.
- (b) The manufacturer shall include in the owner's manual the following information:
 - (1) The statement:
