

## 40 C.F.R. § 223.1

---

### Contents of special, emergency, general, and research permits; posting requirements.

---

(a) All special, emergency and research permits shall be displayed on the vessel engaged in dumping and shall include the following:

- (1) Name of permittee;
- (2) Means of conveyance and methods and procedures for release of the materials to be dumped;
- (3) The port through or from which such material will be transported for dumping;
