

## 40 C.F.R. § 434.35

---

### New source performance standards (NSPS).

---

Except as provided in 40 CFR 401.17, and §§ 434.61, 434.62 and 434.63 of this part, the following new source performance standards shall be achieved for any discharge from a new source subject to this subpart:
