

40 C.F.R. § 455.60

Applicability; description of repackaging of agricultural pesticides performed by refilling establishments subcategory.

- (a) The provisions of this subpart are applicable to discharges resulting from all repackaging of agricultural pesticides performed by refilling establishments, as defined in § 455.10; whose primary business is wholesale or retail sales; and where no pesticide manufacturing, formulating or packaging occurs, except as provided in paragraphs (b), (c) and (d) of this section.
