

40 C.F.R. § 610.21

Device functional category and vehicle system effects.

(a) The devices evaluated in this program are organized into categories for purposes of definition and establishment of evaluation criteria and test procedures, and to indicate which vehicle functional characteristics (other than fuel economy) may be adversely affected by installation or use of the device.

(b) A device's category will be based on:

- (1) Engineering principles governing operation of the device;
- (2) Interaction between the device and specific vehicle/engine operating characteristics; and
