

40 C.F.R. § 712.28

Form and instructions.

- (a) Manufacturers and importers subject to this subpart must submit a single EPA Form No. 7710-35, “Manufacturer's Report—Preliminary Assessment Information,” for each plant site manufacturing or importing a chemical substance listed in § 712.30.
- (b) Reporting companies may submit their reports through individual plant sites or company headquarters as they choose. A separate form must be submitted for each plant site manufacturing the chemical substance.
- (c) Persons authorized to report information under this subpart must include the following information on Form 7710-35, Manufacturer's Report—Preliminary Assessment Information (Manufacturer's Report):
