

## 40 C.F.R. § 717.12

---

### Significant adverse reactions that must be recorded.

---

(a) Except as provided in paragraph (b) of this section, significant adverse reactions to human health that must be recorded include but are not limited to:

- (1) Long-lasting or irreversible damage, such as cancer or birth defects.
- (2) Partial or complete impairment of bodily functions, such as reproductive disorders, neurological disorders or blood disorders.
- (3) An impairment of normal activities experienced by all or most of the persons exposed at one time.
