

## 40 C.F.R. § 725.65

---

### Recordkeeping.

---

(a) *General provisions.* (1) Any person who submits a notice under this part must retain documentation of information in the submission, including:

(i) Any data in the submitter's possession or control; and

(ii) Records of production volume for the first 3 years of manufacture, import, or processing.

(2) Any person who submits a notice under this part must retain documentation of the date of commencement of testing, manufacture, import, or processing.

This document is only available to subscribers. Please [log in](#) or [purchase access](#).
