

40 C.F.R. § 725.80

General provisions for confidentiality claims.

Claims of confidentiality must be made in accordance with the procedures described in 40 CFR part 703, except as modified in this paragraph. In general, references to “chemical” or “chemical identity” in part 703 are equivalent to “microorganism” or “microorganism identity” for the purposes of this part.

- (a) In place of § 703.5(b)(3)(v) of this subchapter, the following question must be answered: Has EPA, another Federal agency, or court made any confidentiality determination regarding information associated with this microorganism? If yes, please provide the circumstances associated with the prior determination, whether the information was found to be entitled to confidential treatment, the entity that made the decision, and the date of the determination.
