## 40 C.F.R. § 770.15

---

### Composite wood product certification.

---

- (a) Beginning June 1, 2018, only certified composite wood products, whether in the form of panels or incorporated into component parts or finished goods, are permitted to be sold, supplied, offered for sale, or manufactured (including imported) in the United States, unless the product is specifically exempted by this part.
- (b) Certified composite wood products are those that are produced or fabricated in accordance with all of the provisions of this part.
- (c) To obtain product certification, a panel producer must apply to an EPA TSCA Title VI TPC.
- (1) For panel producers that do not have any previous product certifications from a CARB-approved TPC or an EPA TSCA Title VI TPC, the application must contain the following:
- (i) The panel producer's name, address, telephone number, and other contact information;
  - (ii) A copy of the panel producer's quality control manual as required by § 770.21(a);
  - (iii) Name and contact information for the panel producer's quality control manager;
  - (iv) An identification of the specific products for which certification is requested, and the resin system used in panel production;
