

40 C.F.R. § 270.80

What is a RAP?

(a) A RAP is a special form of RCRA permit that you, as an owner or operator, may obtain, instead of a permit issued under §§ 270.3 through 270.66, to authorize you to treat, store, or dispose of hazardous remediation waste (as defined in § 260.10 of this chapter) at a remediation waste management site. A RAP may only be issued for the area of contamination where the remediation wastes to be managed under the RAP originated, or areas in close proximity to the contaminated area, except as allowed in limited circumstances under § 270.230.
