

40 C.F.R. § 271.19

EPA review of State permits.

- (a) The Regional Administrator may comment on permit applications and draft permits as provided in the Memorandum of Agreement under § 271.8.
- (b) Where EPA indicates, in a comment, that issuance of the permit would be inconsistent with the approved State program, EPA shall include in the comment:
- (1) A statement of the reasons for the comment (including the section of RCRA or regulations promulgated thereunder that support the comment); and
 - (2) The actions that should be taken by the State Director in order to address the comments (including the conditions which the permit would include if it were issued by the Regional Administrator).
