

## 40 C.F.R. § 281.50

---

### Approval procedures for state programs.

---

- (a) The following procedures are required for all applications, regardless of whether the application is for a partial or complete program, as defined in § 281.12.
- (b) Before submitting an application to EPA for approval of a state program, the state must provide an opportunity for public notice and comment in the development of its underground storage tank program.
- (c) When EPA receives a state program application, EPA will examine the application and notify the state whether its application is complete, in accordance with the application components required in § 281.20. The 180-day statutory review period begins only after EPA has determined that a complete application has been received.
