### Disclosure to health professionals.

---

- (a) *Definitions. Medical emergency* means any unforeseen condition which a health professional would judge to require urgent and unscheduled medical attention. Such a condition is one which results in sudden and/or serious symptom(s) constituting a threat to a person's physical or psychological well-being and which requires immediate medical attention to prevent possible deterioration, disability, or death.
- (b) The specific chemical identity, including the chemical name of a hazardous chemical, extremely hazardous substance, or a toxic chemical, is made available to health professionals, in accordance with the applicable provisions of this section.
- (c) *Diagnosis or Treatment by Health Professionals in Non-Emergency Situations.* (1) An owner or operator of a facility which is subject to the requirements of sections 311, 312, and 313, shall, upon request, provide the specific chemical identity, if known, of a hazardous chemical, extremely hazardous substance, or a toxic chemical to a health professional if:
- (i) The request is in writing;
  - (ii) The request describes why the health professional has a reasonable basis to suspect that:
    - (A) The specific chemical identity is needed for purposes of diagnosis or treatment of an individual,
    - (B) The individual or individuals being diagnosed or treated have been exposed to the chemical concerned, and
    - (C) Knowledge of the specific chemical identity of such chemical will assist in diagnosis or treatment.
