

## 40 C.F.R. § 370.12

---

### What hazardous chemicals must I report under this part?

---

- (a) You must report any hazardous chemical for which you are required to prepare or have available an MSDS (or SDS) under OSHA HCS that is present at your facility equal to or above the applicable threshold specified in § 370.10. (Specific exemptions from reporting are in § 370.13.)
