

40 C.F.R. § 246.100

Scope.

- (a) These guidelines are applicable to the source separation of residential, commercial, and institutional solid wastes. Explicitly excluded are mining, agricultural, and industrial solid wastes; hazardous wastes; sludges; construction and demolition wastes; infectious wastes; classified waste.
- (b) The “Requirement” sections contained herein delineate minimum actions for Federal agencies for the recovery of resources from solid waste through source separation. Pursuant to section 211 of the Solid Waste Disposal Act, as amended, and Executive Order 11752 section 4(a), the “Requirement” sections of these guidelines are mandatory for all Federal agencies that generate solid waste. In addition, they are recommended to State, interstate, regional, and local governments for use in their activities.
- (c) The “Recommended Procedures” sections are presented to suggest actions or preferred methods by which the objectives of the requirements can be realized. The “Recommended Procedures” are not mandatory for Federal agencies.
