

## 40 C.F.R. § 265.73

---

### Operating record.

---

- (a) The owner or operator must keep a written operating record at his facility.
- (b) The following information must be recorded, as it becomes available, and maintained in the operating record for three years unless noted below:
- (1) A description and the quantity of each hazardous waste received, and the method(s) and date(s) of its treatment, storage, or disposal at the facility as required by Appendix I to part 265. This information must be maintained in the operating record until closure of the facility;
  - (2) The location of each hazardous waste within the facility and the quantity at each location. For disposal facilities, the location and quantity of each hazardous waste must be recorded on a map or diagram of each cell or disposal area. For all facilities, this information must include cross-references to manifest document numbers if the waste was accompanied by a manifest. This information must be maintained in the operating record until closure of the facility;

[Comment: See §§ 265.119, 265.279, and 265.309 for related requirements.]
