

## 40 C.F.R. § 267.51

---

### What is the purpose of the contingency plan and how do I use it?

---

- (a) You must have a contingency plan for your facility. You must design the plan to minimize hazards to human health or the environment from fires, explosions, or any unplanned sudden or non-sudden release of hazardous waste or hazardous waste constituents to air, soil, or surface water.
