

## 40 C.F.R. § 66.12

---

### Content of notices of noncompliance.

---

(a) Each notice of noncompliance shall be in writing and shall include:

- (1) A specific reference to each applicable legal requirement of which the source is in violation;
- (2) A brief statement of the factual basis for the finding of violation, together with a reference to any supporting materials and a statement of when and where they may be inspected;
