
40 C.F.R. § 72.24

Certificate of representation.

(a) A complete certificate of representation for a designated representative or an alternate designated representative shall include the following elements in a format prescribed by the Administrator:

- (1) Identification of the affected source and each affected unit at the source for which the certificate of representation is submitted, including identification and nameplate capacity of each generator served by each such unit.
- (2) The name, address, and telephone and facsimile numbers of the designated representative and any alternate designated representative.
- (3) A list of the owners and operators of the affected source and of each affected unit at the source.
- (4) The following statement: “I certify that I was selected as the ‘designated representative’ or ‘alternate designated representative,’ as applicable, by an agreement binding on the owners and operators of the affected source and each affected unit at the source.”
