

40 C.F.R. § 73.85

Administrator review of the reserve program.

(a) *Administrator review of the Reserve and creation of a subaccount.* In the event that an allocation of allowances from the Reserve pursuant to a pending application would bring the total number of allowances allocated to a number greater than 240,000, the Administrator will review the distribution of all allowances allocated as follows:

- (1) If at least 60,000 allowances have been allocated from the Reserve for *each* of
 - (i) Qualified energy conservation measures, and
