

40 C.F.R. § 74.12

Opt-in permit contents.

- (a) The opt-in permit shall be included in the Acid Rain permit.
- (b) *Scope.* The opt-in permit provisions shall apply only to the opt-in source and not to any other affected units.
- (c) *Contents.* Each opt-in permit, including any draft or proposed opt-in permit, shall contain the following elements in a format specified by the Administrator:
 - (1) All elements required for a complete opt-in permit application as provided under § 74.16 for combustion sources or under § 74.17 for process sources or, if applicable, all elements required for a complete opt-in permit renewal application as provided in § 74.19 for combustion sources or under § 74.17 for process sources;
