

## 40 C.F.R. § 77.5

---

### Deduction of allowances to offset excess emissions of sulfur dioxide.

---

- (a) The Administrator will deduct allowances to offset excess emissions in accordance with the offset plan approved under § 77.4(b) (1) or (k) or in accordance with § 72.91(b) of this chapter.
- (b) The designated representative shall hold enough allowances in the appropriate compliance account to cover the deductions to be made in accordance with paragraph (a) or paragraph (c) of this section.
