### Availability of consumption allowances in addition to baseline consumption allowances for class II controlled substances.

---

(a) A person may obtain at any time during the control period, in accordance with the provisions of this section, consumption allowances equivalent to the quantity of class II controlled substances that the person exported from the United States and its territories to a foreign state in accordance with this section, when that quantity of class II controlled substance was produced in the U.S. or imported into the United States with expended consumption allowances. Both the export of the class II controlled substance and the request for additional consumption allowances must occur during a calendar year in which consumption allowances were issued for that class II controlled substance.

(1) The exporter must submit to the Administrator a request for consumption allowances setting forth the following:

- (i) The identities and addresses of the exporter and the recipient of the exports;
- (ii) The exporter's Employer Identification Number;
- (iii) The names and telephone numbers of contact persons for the exporter and the recipient;
- (iv) The quantity (in kilograms) and type of class II controlled substances reported;
- (v) The source of the class II controlled substances and the date purchased;
