

40 C.F.R. § 85.2103

Emission warranty.

- (a) The manufacturer of each vehicle to which this subpart applies must provide a written commitment to meet warranty requirements as described in this section.
- (b) The warranty periods under this section apply based on the vehicle's age in years and on the vehicle's odometer reading. The warranty period expires based on the specified age or mileage, whichever comes first. The warranty period for a particular vehicle begins on the date the vehicle is delivered to its ultimate purchaser or, if the vehicle is first placed in service as a “demonstrator” or “company” car prior to delivery, on the date it is first placed in service.
- (c) Under the emission performance warranty, in the case of a vehicle failing to conform at any time during its useful life to the applicable emission standards or family emission limits as determined by an EPA-approved emission test, the manufacturer must remedy that nonconformity at no cost to the owner if such nonconformity results or will result in the vehicle owner having to bear any penalty or other sanction (including the denial of the right to use the vehicle) under local, State, or Federal law. The following warranty periods apply:
