

## 40 C.F.R. § 85.2119

---

### Labeling requirements.

---

- (a) Except as specified in paragraph (b) of this section, each part certified pursuant to these regulations shall have “Certified to EPA Standards” and the name of the aftermarket part manufacturer or other party designated to determine the validity of warranty claims placed on the part. The name of the aftermarket part manufacturer or other party and the statement, “Certified to EPA Standards,” must be made durable and readable for at least the useful life mileage interval of the part.
- (b) In lieu of the name of the aftermarket part manufacturer or other party and “Certified to EPA Standards,” the part may contain unique identification markings. A description of the marking and statement that such marking is intended in lieu of the name of the aftermarket part manufacturer or other party and “Certified to EPA Standards,” shall be made to the Agency in the notification of intent to certify. The unique symbol shall not be used on any uncertified or decertified part built or assembled after the date of decertification.
