
40 C.F.R. § 86.1109–87

Entry and access.

(a) To allow the Administrator to determine whether a manufacturer is complying with the provisions of this subpart, EPA Enforcement Officers are authorized to enter any of the following (during operating hours and upon presentation of credentials):

- (1) Any facility where any engine or vehicle to be introduced into commerce or any emission related component is manufactured, assembled, or stored;
- (2) Any facility where any tests conducted pursuant to a PCA request or any procedures or activities connected with these tests are or were performed;
- (3) Any facility where any engine or vehicle which is being tested, was tested, or will be tested is present; and
- (4) Any facility where any record or other document relating to any of the above is located.

(b) Upon admission to any facility referred to in paragraph (a) of this section, EPA Enforcement Officers are authorized to perform the following inspection-related activities:

- (1) To inspect and monitor any aspects of engine or vehicle manufacture, assembly, storage, testing and other procedures, and the facilities in which these procedures are conducted.
- (2) To inspect and monitor any aspect of engine or vehicle test procedures or activities, including, but not limited to, monitoring engine or vehicle selection, preparation, service or mileage accumulation, preconditioning, repairs, emission test cycles, and maintenance; and to verify calibration of test equipment;
