

40 C.F.R. § 62.14441

When must I inspect my HMIWI equipment and air pollution control devices?

- (a) You must inspect your large, medium, small or small rural HMIWI equipment by May 13, 2014.
- (b) You must conduct inspections of your large, medium, small or small rural HMIWI equipment as outlined in § 62.14442(a) annually (no more than 12 months following the initial inspection or previous annual HMIWI equipment inspection).
